

# Kanuhura, Maldives

With its two beautiful little island neighbours, Kanuhura is a very private hideaway with a wide range of relaxations, bars, restaurants, activities and sports. Close by are some of the world's best diving sites, with the outer reef dropping nearly 2,000 metres. It has a spa, an aerobics studio and gymnasium. Accommodation is in villas either on the island's coral sand fringe or in a little village on stilts at the end of a wooden pier.
