

SIX SENSES HIDEAWAY SAMUI

Sila Evason Hideaway Samui is located on a headland on the northern tip of Samui Island, approximately six kilometers from the airport. It is set amongst 20 acres of indigenous plantings and offers stunning views of the surrounding sea and outlying islands. All villas are located amongst natural vegetation around a gently sloping headland, which ensures maximum privacy while offering unsurpassed panoramas with an open-style bathroom, which creates an atmosphere of space and light in the room, and also maintains views of the surrounding seas and islands from almost every location in the villa.
