

# X2 Resorts - Koh Samui

Resorts by X2 appeal to people who appreciate style in a genuine, pure sense. Almost an anti-brand; X2 does what large hotel chains cannot do, and a lot of that comes back to being human and unpretentious. Whether it is design or service, X2 executes new ideas, not for the sake of it, but to deliver a unique sensual experience that is becoming so increasingly difficult to find. An experience that feeds the soul and rewards the senses in a down to earth way. X2 guests are not pretenders, nor out to impress. They are drawn to X2 because it is real, unique, stylish and relaxed..... just like them.
